

CLIMATE WISE COMMUNITIES

Mapping Neighbourhood Strengths and Vulnerabilities

Note type/colour of markers used

--

Hazards in your area

- Fire history
- Storm and flood risks
- Vulnerable places

Can you identify other vulnerabilities in the area?
e.g. substations, water supply, phone reception issues

MINIFIGURE FLAG
RED BRICK / SCHOOL LABEL ORANGE BRICK GREY BRICK

Where do you live?

Do you have a pet?

Local places you and your family commonly visit

- Schools or child care centres
- Places of work and local services
- Elderly parents or others you care for

PIPE CLEANERS / WOOL
RED FLAG BLUE BRICK / SWS LABEL GREEN FLAG / LABEL

Main evacuation routes

Secondary evacuation routes

Strengths in your area:

- Community Fire Unit (CFU)
- Static Water Supplies (SWS)
- Place of last resort (Neighbourhood Safer Places)

YELLOW BRICK
WHITE BRICK

People you know: who you see and talk to

Vulnerable people

- Who may need help/support in a fire?

Trusted person/people you could call for help

- In your local area
- Outside of the area

Throughout the exercise, we encourage participants to share their local knowledge and personal experiences as they relate to the strengths, vulnerabilities and characteristics of the local area.
