

5 November, 2020

Dear Council member,

Re: Transport for NSW Maritime Expired Marine Flares Collection Program

We are seeking the assistance of Council members in publicising the upcoming expired flares collection program to safely dispose of expired marine flares as widely as possible to your local boating community.

The expired marine flare collection schedule commences on 20 November 2020 and runs to 18 April 2021 and includes collections at 46 locations along the NSW coast from Tweed Heads to Eden.

The three-month schedule is attached, or you can view it online at maritime.transport.nsw.gov.au/flares

Most flares have a use-by-date of three years, and penalties apply if they are not replaced before the expiry date. It is the responsibility of marine flare owners to dispose of the expired flares in a safe and timely manner.

We welcome any support your Council can provide to help us reach the wider boating community across NSW. Your assistance would be greatly appreciated and is in line with suggestions around working with councils that we have previously received from boaters.

Our Boating Education Officers are available to meet with relevant council personnel to discuss additional opportunities to work together for the greater benefit of the community.

If you are interested in supporting this community service and require any further information, please contact me by email at Vanessa.Dudley@transport.nsw.gov.au or phone on (02) 9563 8498.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Vanessa Dudley'.

Vanessa Dudley
Senior Maritime Education and Partnerships Officer
