QUESTIONS WITHOUT NOTICE**233 Waste Collection**

File: EM00004/8

Question Without Notice from Councillor C Szatow

Question to Acting Director Development & Regulation:

Why are garbage bins in the street again tonight as I am informed by a resident outside No 32 Marian Street, Killara?

Answer by Acting Director Development & Regulation

I will investigate and advise.

234 Council-owned Rented Properties

File: S03671

Question Without Notice from Councillor T Hall

I acknowledge the list of rentals as published in the Council's Business Paper 11/09, amounting to nearly \$3 million per annum in revenue, would the General Manager also provide the list of rented properties owned by Council and the rents received in the last financial year and where may that revenue be found in the Council's annual financial statement for year ending to 30 June 2009, please?

Answer by General Manager

I will be happy to provide that list. What I would say as a preliminary comment is that the grossed-up expenditure figure you will find for rental properties in the Statements includes what would be the market value of all the properties if we were to rent them at commercial rates but a lot of them are discounted with community rebates by 90%.

235 Private Certifier - Peter Boyce

File: DA0659/02-9

Question Without Notice from Councillor T Hall

I ask the General Manager, was a decision made by the Building Professional Board to the complaint lodged against Mr Peter Boyce in respect of 317-321 Mona Vale

Road, St Ives (DA Consent 659/02) and what was the outcome, please and is Mr Boyce still practising as a private certifier in this local government area?

Would the General Manager table the State of Decision when received?

Answer by the General Manager

I will have the Director Development & Regulation follow that up and provide written advice to Councillors.

236 **Bushfire Issues**

File: S06833

Question Without Notice from Councillor E Malicki

There were 3 Community Bushfire Risk Information Days last weekend, 2 at North Turramurra and 1 at St Ives.

Are there going to be any such meetings in other areas such as South Turramurra, East Killara and so on as there is a lot of concern about this issue in other parts of Ku-ring-gai?

It's Rural Fire Services.

Answer by Director Strategy & Environment

It was my understanding that there wasn't going to be additional meetings but that doesn't mean that there can't be additional meetings.

Question by Councillor Malicki

Well can I add a supplementary question? If not, can these be organised particularly in South Turramurra?

Answer by Director Strategy & Environment

I will take that one on notice but I think the answer will be yes.

237 **Wahroonga Preparatory School - Commencement of Building Works**

Files: S06306, DA0262/09

Question Without Notice from Councillor D McDonald

Was Council notified at all of the Wahroonga Prep School beginning their building works under the BER Program as at 16 October?

Does the Acting Director know what we can do to put conditions in place? Apparently there are some port-a-loos now sitting out in the street that are causing a hazard?

Answer by Acting Director Development & Regulation

I will have to take that on notice and investigate the matter and report back to the Council.

INSPECTIONS COMMITTEE - SETTING OF TIME, DATE AND RENDEZVOUS

The Acting Director Development & Regulation, Corrie Swanepoel, will advise the Councillors of a date and time that an Inspections Committee will take place at 8 Arnold Street, Killara.
