Net Zero Communities Grant

7. Name of project?

Electrify for Environment

8. Brief description of your project

Presentation by guest speaker Saul Griffith (TBC) to audience on electrifying their lives followed by Uptake of Solar Sessions

9. Proposed works must be outlined in detail below.

Energyze is hosting an event to an audience of 150 - 250 pax in March 2024 6:30 - 8:00pm followed by 4 sessions for the Community on Uptaking Solar.
Regenerating Australia film to be screened, followed by presentation by Guest speaker and then a Q and A with the audience.

Event Attendees offered option of Uptaking Solar sessions for the following 5 weeks with Energyze.

10. Outcomes should relate back to at least one of the grant criteria. Outcomes must be measurable and achievable. Projects that align with more than one or more of the criteria may be looked at more favourably.

• High attendance of 150 pax or more.
. Attendees have a greater understanding of how innovation and technology can assist increasing biodiversity and reduce carbon emissions and what they as individuals and communities can do to effect positive change by transitioning to renewables and increase biodiversity. Students undertake project studying the impact of transitioning to renewables on sustainability of their lifestyles.

11. What will success of the project look like and how will it be measured?

Some Attendees indicate via survey they have transitioned to 'electrify' their lifestyle, uptake of sustainable practices to enhance biodiversity etc.
• Some Attendees install solar on private residences within 1 year.
• Some Attendees indicate via survey they're interested in renewables and the impact from transitioning to renewables and want to learn more.
• Some attendees attend Energyze Solar Session after which they install solar within 1 year.

12. Name/s of contractors if required. Please note contractors need to supply a breakdown of costs on their quote.

Regen studios - hiring film - \$350

13. Good eg. materials etc.

Refreshments (non alcoholic) for 200 pax - \$250

14. Services eg. publicity etc.

Promotion banners \$960

15. Other (please specify)

Venue Hire \$720 (6 hours) Killara Bowling Cub

16. How much funding are you applying for from the Environmental Levy Grants?

\$2967

17. Cash from any other sources eg. school funds, social club, private contribution

Energyze Member Self Funding \$200

18. Does the project involve volunteers?

Yes

How many volunteers and number of hours? eg. three volunteers at three hours

15 vounteers (set up, pack up and host) and 5 volunteers (80 hours each preparation)

19. Upload any relevant photos, maps, quotes or documentation to support your project
