Web: www.kmc.nsw.gov.au

Hours:

Lodging an application

Monday to Friday, 8:30am – 5:00pm

Fees:

Fees are based on Council's adopted schedule of fees.

Payment methods

You may pay by cash, eftpos or cheque. Make cheques payable to 'Ku-ring-gai Council'. Please do not send cash in the mail.

Transport and Parking:

Bus or Rail

The Council is located within five minutes walking distance from Gordon train station. From the station, head west up via St Johns Ave to the Pacific Highway. Turn right and walk to the end of the block along the Pacific Highway. Cross the Pacific Highway at the lights and walk right to Council Chambers.

Parking

Some short-term Visitor Parking spaces are available on site behind the Council Chambers in Radford Place. A lift is accessible from within the building on level one. This lift is accessible to people using wheelchairs via a ramp.

Limited on-street parking is also available in nearby streets.

Accessible Parking

Radford Place, behind Council Chambers, provides parking spaces for people with disabilities. These spaces are adjacent to the accessible ramp to Level 1 and lift which may be taken to the Customer Service Counter on Level 4 and the Pacific Highway main entrance.

Outdoor Dining on a Public Footpath/Park/Plaza

This guide provides you with information to enable you to identify the plans and supporting documentation you will need to provide.

Council will not accept your application if you fail to provide all relevant documentation

General requirements

Application form

The application form requires you to answer specific questions and provides you with prompts to provide other information that is required for the assessment of the application. All questions must be answered and other information requested must be submitted.

Standards of Documents

The plans and documents must be accurate and legible. Any misleading details may result in the refusal of the application.

The Plans shall:

- show the subject site, adjoining sites, the kerb, all other Council street furniture, planters, signs, power poles and trees/shrubs and the area proposed for the activity.
- show the dimensions of the length of the subject site, the width of the footpath, the area proposed to be used and have a clear 1.8 metre pedestrian access.
- all dimensions to be in metric.
- be to a scale of 1:100 or other readily legible scale.
- show the seating inside and outside of the premises to assist in determining the required sanitary facilities in accordance with Table F2.3 and F2.4 of the Building Code of Australia.
- show the location and number of male, female and disabled sanitary facilities provided for patrons and staff within the premises.
- show all public utilities that may be located within the proposed area of use.
- indicate location and direction of focus of any outdoor lighting associated with the activity.

Supporting material and documentation

- The Public Liability Insurance policy to be provided shall cover the outdoor dining use and include Ku-ring-gai Council on the policy so that Council is indemnified for claims arising from the use of the outdoor dining facility
- Provide brochures of the proposed furniture to be used. (Dimensions, colour and finishes)
- Submit photographs of any pre-existing damage to footways in the proposed area of use.
- If the premises are Liquor Licensed submit copy of license.
- Photographs of the front of the site and adjoining premises.

Statement of Environmental Effects

Use/Attendances/Noise

- Provide details of how the proposed use is in the public interest.
- Provide details as to the slope and surface conditions of the area proposed to be used and how the area is appropriate for the intended use.
- In the event a clear 1.8 metre pedestrian access is not able to be achieved provide details of how reasonable access will be achieved.
- Provide details of the proposed operation of the outdoor dining area so the environment is protected from litter and associated waste from the use.
- Specify the method of controlling the number of persons being admitted to the venue so the maximum occupancy cannot be exceeded.
- If it is intended to serve alcohol within the outdoor dining area, how is this activity to be controlled/monitored.
