Crown Blocks Conservation Area - C22 (KLEP 2015)

The Crown Blocks Conservation Area has historic significance as Crown Blocks which sold in the 1890s whose boundaries are evident through the following streets: Tryon Road, Nelson Road and the boundary of original large lots. The area has historic significance for the further subdivision of Crown Blocks as Mackenzie Estate in 1907, Lightcliff Avenue and Slade Avenue in 1916 and Belhelvie Estate in 1919. The area has aesthetic significance for the intact Federation and Inter-war houses, with some examples of mid to late twentieth century development. Nelson Road consists mainly of Federation period houses with consistent siting, massing and architecture. Lightcliff Avenue represents a significant example of cohesive subdivision and development with housing styles including Inter-war Mediterranean and Old English. The Seven Little Australians Park and Killara Oval are important inclusions to the HCA, providing large landscape elements of high visual amenity.
