Dear Resident

Babbage Road, Roseville Chase – Proposed 4P Restrictions

Council seeks your input for a proposal to install 4P restrictions along Babbage Road, Roseville Chase, between Nos. 53 and 63, as shown on the **attached** Plan No. *BabbageRd/TDA/100/25*.

Background

Council has received correspondence from residents regarding the on-street parking of commercial vehicles along Babbage Road, Roseville Chase, between Nos. 53 and 63.

It has been observed that utes, trucks and vans associated with a commercial company are regularly parked in this section when not in use, reducing the availability of parking for local residents.

Proposed changes

To address this issue, Council proposes the installation of 4P restrictions within the subject area as shown in the attached plan No. *BabbageRd/TDA/100/25*. This will discourage long-term parking of commercial vehicles and improve the availability of on-street parking for residents.
