The Resident
Drovers Way
LINDFIELD NSW 2070

Dear Resident

Drovers Way, Lindfield - Proposed parking restrictions

Council is seeking your input on a proposal to introduce a short section of 'No Parking' restrictions in front of #10 Drovers Way, as shown on the **attached** Plan Drovers/TDA/53/25.

Background

Council has received complaints about restricted visibility for drivers exiting the driveway of #10 Drovers Way when looking uphill to the left. This is due to parked vehicles and the crest of the hill. Concerns have also been raised about taxi's and ride share vehicles blocking the driveway when picking-up and setting down passengers, due to the lack of available on-street parking.

Proposed changes

It is proposed that 'No Parking' restrictions be installed in front of #10 Drovers Way. The restrictions would extend from the power pole on the southern side of the driveway, to 6 metres north of the hatched area on the northern side of the driveway.

The proposed changes would ensure that drivers exiting the driveway of #10 Drovers Way would have adequate visibility to approaching traffic. The 'No Parking' restrictions would also allow a vehicle to stop in the space for up to 2 minutes while setting down or picking-up passengers, or to make a delivery.

Submit your feedback

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process.
