

# Give it a go...

## Walk to School today

## It is a great way to:

- ➔ Spend quality time with your children.
- ➔ Discuss and demonstrate safe pedestrian and road safety behaviours.
- ➔ Improve road safety around the school by decreasing traffic congestion.
- ➔ Be active and build healthy habits for life.
- ➔ Teach children life skills to slowly prepare them for independent travel.

REMIND your children to **STOP! LOOK! LISTEN! THINK!** every time they cross the road or a drive way.
