Dear Resident

Lofberg Road, Pymble - Proposed raised Wombat Crossing

Council is seeking your input on a proposal to construct a raised Wombat Crossing on Lofberg Road, as shown on the **attached** Plan Lofberg/KTC/05/25.

Background

Students from Gordon West Public School cross Lofberg Road at Ryde Road to get to and from the school. There is currently a pedestrian refuge on Lofberg Road which allows pedestrians to cross the road in 2 stages. However, Lofberg Road is quite wide at the intersection, so the crossing distance for pedestrians is relatively long. Also, vehicles turning left into Lofberg Road can enter at speed due to the wide entry and shallow turning angle.

Proposed changes

It is proposed that a raised Wombat Crossing be constructed on Lofberg Road at Ryde Road. This project is currently unfunded, so if approved, there is no timeline for construction at this stage. There would be no loss of on-street parking spaces if the Wombat Crossing was constructed.

Submit your feedback

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process.

How to respond:
