The Resident
Rosedale Road
GORDON NSW 2072

Dear Resident

Rosedale Road, Gordon - Proposed line marking

Council is seeking your input on a proposal to remove one on-street parking space outside #26 Rosedale Road, and mark hatched lines beside the driveways to #24 and #26 Rosedale Road. The proposed changes are shown on the **attached** Plan Rosedale/TDA/8/25.

Background

Council has received complaints from residents about restricted visibility when exiting driveways on the western side of Rosedale Road. The restricted visibility is due to a combination of parked vehicles, large street trees and a crest in the road.

Affected residents were recently consulted about a proposal to mark hatched lines beside the driveway to #24 Rosedale Road. From the consultation there was a request for hatched lines to also be marked outside the driveway to #26 Rosedale Road.

Proposed changes

It is proposed that hatched lines be marked on both sides of the driveway to #24, and on the uphill side of the driveway to #26 Rosedale Road. This will result in the loss of 1 on-street parking space outside #26. The proposed changes would provide much improved visibility to approaching traffic for residents exiting the driveways of #24-28 Rosedale Road.

It is also proposed that driveway lines be marked on either side of the driveway to #20 and 22 Rosedale Road, to discourage parking too close to the driveways.

Submit your feedback

Before submitting this proposal to the Ku-ring-gai Traffic Committee, we want to hear from impacted residents. Your feedback will guide our decision-making process

How to respond:

1. Take our brief survey using the QR code provided.
2. Or, send written comments to the address above.

Deadline: Please submit your feedback by Friday 13 June 2025. If you have any questions, please feel free to contact me directly.

Yours faithfully

Michael Foskett
