The Resident  
Torokina Avenue  
ST IVES NSW 2075

Dear Resident

### **Torokina Avenue, St Ives - Proposed Bus Zone relocation**

Council is seeking your input on a proposal to relocate the Bus Zone on Torokina Avenue approximately 20 metres further west, as shown on the **attached** Plans.

### **Background**

Council has received funding from Transport for NSW to construct a raised Wombat Crossing on Torokina Avenue at Yarrabung Road. In order to accommodate the Wombat Crossing, the existing Bus Zone will need to be moved back approximately 20 metres from the crossing. This is necessary to ensure that drivers have adequate visibility to pedestrians using the crossing when a bus is stopped in the Bus Zone.

### **Proposed changes**

Relocate the Bus Zone on Torokina Avenue approximately 20 metres west of its current location.

The proposed changes would result in the loss of 3 on-street parking spaces. However, there would still be space for 2 vehicles to park between the driveway to #10 and the start of the Bus Zone. It would also require the removal of 1 tree in front of the common boundary of #10 and #12.

### **Submit your feedback**
